## ABOUT SEXUAL ESSENTIALS

Sexual Essentials LLC is a movement built to help people understand & embrace their sexuality, body, & desires. Ultimately the goal is to give the tools needed to create the type of sex life that is consistently fulfilling for you.

Sexual Essentials takes an unconventional approach to sexual education, by offering hands on sex workshops such as the infamous #MouthMasterclass #DickRiding101 & the Sex Conditioning Workout. These workshops are centered around building confidence in a bold yet respectable way where anyone can feel comfortable because we are a tribe & a 100% judgement free zone.
